

Next Generation Pedagogy

Crafting Value-Centric and Cutting-Edge Learning Experiences

Mushtak Al-Atabi
Provost and CEO, Heriot-Watt University Malaysia

Purpose-Driven Education

“Students may be better off developing **emotional intelligence** than cognitive skills to prepare for a future of work in which they will be competing against robots.”

Andy Haldane

CEO, The Royal Society for Arts,

Manufactures and Commerce

Ex-Chief Economist, Bank of England
